6. OUTSIDE COMPENSATION/CONFLICT OF INTEREST/COMMITMENTS

Upon advance written approval of the Director of Athletics and the President, Coach may enter into agreements with other parties to provide services not included

within this Contract for compensation as long as such services can be performed under the following conditions: (a) the services performed are permitted by the Big Ten Conference, NCAA, and state law; (b) such services do not interfere with the Coach's obligations under this Contract and are fully consistent with all rules and policies of the Board of Regents and the University, including without limitation the University's policy on Conflict of Interest/Commitment; and, (c) the services, as determined by the University, do not impair Coach's ability to fulfill assigned duties or reflect adversely on the Coach's fitness to serve as head coach.

7. BENEFITS

Coach shall receive standard fringe and employee benefits pursuant to University policy, with contributions and benefit amounts based only on the guaranteed annual salary. Coach shall also receive any employee-related benefits normally available to University professional employees in the Athletics Department, including those related to his position as head coach contained in attached Appendix B.

8. DISCLOSURE

Beginning with the effective date of this Contract, the Coach shall disclose annually on or about August 31 to the President and the Director of Athletics, sources and amounts of athletically-related benefits from sources outside the University to the extent such disclosure is required by the NCAA or the Big Ten Conference.

9. DISCIPLINE

If the Director of Athletics reasonably determines that Coach has acted in violation of this Contract, or Big Ten Conference or NCAA rules, whether while employed by University or during prior employment at another NCAA member institution, Coach may be subject to disciplinary action, including without limitation, suspension with or without pay, and/or termination pursuant to Paragraphs 10 or 11.

10. TERMINATION BY UNIVERSITY FOR CAUSE

The University may terminate this Contract for cause. "Cause" as used in this Contract shall mean the following:

- A.** One significant or repetitive violations of the duties of the head wrestling coach, which are outlined in Appendix A, or of any of the other terms/conditions of this Contract, or a refusal or unwillingness to perform such duties in good faith and to the best of the Coach's abilities;
- B.** A major violation or multiple secondary violations of NCAA or other Governing Association rules or regulations by Coach, a member of the wrestling coaching staff, or other person under the Coach's supervision or direction which, as determined by the University, (i) could result in the NCAA or other Governing Association placing the University on probation, a finding of a lack of institutional control, loss of grants in aid, loss of post-

season play, or loss of revenue, and which (ii) the Coach knew or should have known about with reasonable diligence and oversight;

- C. A violation of any rule, regulation, or policy of the NCAA, Big Ten Conference, Regents, or University involving fraud, dishonesty, moral turpitude, violence, or conflict of interest, or commission of a crime whether prosecuted or not (excluding minor traffic offenses) involving fraud, dishonesty, moral turpitude, violence, or conflict of interest, or any other personal conduct that, as reasonably determined by the University, impairs Coach's ability to fulfill assigned duties or reflects adversely on the Coach's fitness to serve as head coach;
- D. Death, prolonged absence, or physical or mental incapacity to perform assigned duties. Said physical or mental incapacity shall be determined by the majority of a panel of three physicians. One such physician shall be chosen by the University, one by Coach and the third physician shall be chosen by the two appointed by the parties.

In the event of termination under this paragraph, University's sole obligation to Coach shall be payment of his salary and standard University employee benefits provided for herein in Paragraphs 3 and 7 to the date of such termination. Prior to termination for cause, other than for death, University shall provide thirty (30) days' written notice of the factual basis for the proposed action and an informal opportunity for Coach to rebut the factual basis alleged. In the event of death, this Contract shall terminate automatically at the time of death. The University shall not be liable to Coach for any other collateral business opportunities or other benefits associated with Coach's position as head wrestling coach, or as an employee of the Department of Athletics as described in Paragraph 7 and Appendix B.

Coach may challenge University's termination of Coach for cause before a panel of arbitrators. The arbitration panel shall consist of three members, one person selected

by the University, one by Coach, and a third person agreed upon by the nominees of the parties. In the event the parties are unable to agree upon a third arbitrator within 14 days, the parties shall request a list of 10 arbitrators from the American Arbitration Association selected for their experience in resolving similar disputes. The parties will select an arbitrator from the list by the "stricken down" method, with Coach having the first and last strike. The parties will share equally the costs of the arbitration, but shall bear individually the costs of their own counsel and representation.

University shall bear the burden of proving by a preponderance of the evidence that a violation occurred under one or more of the above subparagraphs, and where relevant, that it had reasonable grounds to believe it would be subject to the specified sanctions from the NCAA, Big Ten Conference, or other Governing Association. In all other respects, unless the parties otherwise agree, the arbitration will be conducted in accordance with the rules of the American Arbitration Association. The decision of the panel shall be final and binding upon the parties.

This process is in lieu of any other University grievance procedure that might be available to Coach. In the event the panel, or a court of competent jurisdiction, determines the University lacked cause for terminating Coach, the liquidated damage provision of Paragraph 11 shall apply.

11. TERMINATION BY UNIVERSITY WITHOUT CAUSE; LIQUIDATED DAMAGES

The University may terminate this Contract at any time without cause. In such event, Coach will not be reassigned to any other position within the Department of Athletics. Further, in such event, University shall pay to Coach as liquidated damages and not compensation, in lieu of any and all other legal remedies or equitable relief, his base salary for each year or portion thereof (*pro rata*) remaining in this Contract, or \$500,000, whichever amount is less. The University shall not be liable to Coach for any University benefits or any collateral business opportunities or other benefits associated with Coach's position as head wrestling coach described in Paragraph 7 or Appendix B. The parties have bargained for this liquidated damages provision, giving consideration to the following: This is a Contract for personal services. The parties recognize that a termination of this Contract by University prior to its natural expiration may cause Coach to lose certain benefits, supplemental compensation or outside compensation relating to his employment at University, which damages are difficult to determine with certainty. Accordingly, the parties agree to this liquidated damage provision.

12. TERMINATION BY COACH; LIQUIDATED DAMAGES

Coach agrees not to seek or apply for other coaching positions without prior notice to the Director of Athletics. However, Coach may terminate this Contract without cause upon thirty (30) days written notice to University. In the event of such termination, University's sole obligation to Coach shall be payment of his compensation as provided in Paragraph 3 and standard University employee benefits under Paragraph 7 hereof through the date of such termination, as well as any incentive compensation earned but unpaid pursuant to Paragraph 4 above. The University shall not be liable to Coach for any other collateral business opportunities or other benefits associated with Coach's position as head wrestling coach or as an employee of the Department of Athletics as described in Paragraph 7 and Appendix B.

If Coach terminates the contract voluntarily and accepts another head wrestling coaching position with a Division I college or university within two years of termination from University, he will be responsible to pay University liquidated damages as follows:

Termination during Years 1, 2, or 3 of the contract (before 6/30/11) \$250,000

Any payments under this Paragraph 12 shall be made in two equal annual installments with the first being due one month after the acceptance of such a position and the remaining payment being due on June 30 of the succeeding fiscal year. Following June 30, 2011, Coach shall have no liability to the University in the event he terminates this Contract. The parties have bargained for this liquidated damages provision, giving consideration to the following: This is a Contract for personal services. The parties recognize that a termination of this Contract by Coach prior to its natural expiration may

cause University to incur certain expenses and lose certain benefits relating to the replacement of Coach at the University, which damages are difficult to determine with certainty. Accordingly, the parties agree to this liquidated damage provision.

13. UNIVERSITY RECORDS

All materials or articles of information including, without limitation, personnel records, recruiting records, team information, films, statistics or any other material furnished to the Coach by the University or developed by the Coach on behalf of the University or at the University's direction or for the University's use in connection with the Coach's employment hereunder are and shall remain the property of the University. In the event of the Coach's termination as provided herein, the Coach shall immediately cause any such materials in his possession to be delivered to the University. Coach may request copies of University records relating to the wrestling program, which request shall not unreasonably be denied.

14. DISPUTE RESOLUTION

It is mutually understood that every effort will be made to resolve intradepartmental and interpersonal conflicts or disagreements as internal matters to be resolved in a spirit of goodwill among those concerned. An action on the part of any coach to publicly report internal problems or disagreements that arise will be regarded as contrary to the terms of this Contract. Public information should be provided through the Athletics Communications Office and in accordance with policies mutually agreed to by coaches, the Director of Athletics and the University.

15. INTERPRETATION AND APPLICABLE LAW

This agreement is made under and shall be interpreted according to the laws of the State of Iowa. Any rule to the effect that an agreement shall be construed against the party drafting shall have no application to this agreement. If any provision of the agreement or the application thereof shall be held invalid or unenforceable, the remaining provisions and their application shall not be affected thereby and shall continue to be fully effective and enforceable.

16. ENTIRE AGREEMENT AND MERGER

This Contract constitutes the full and complete agreement of the parties. No prior or subsequent written or oral understandings or representations pertaining to the subject matter of this Contract shall be binding upon the parties unless contained herein or set forth in the form of written amendment(s) to the Contract, executed by both parties prior to becoming effective.

I have read and understand the Contract and agree to abide by its terms and conditions.
